

REMARKS

At the outset, Applicants wish to thank Examiner Choi for faxing the PTOL Form 85 to Applicants on June 18, 2008.

The currently listed claims reflect the previously filed Examiner's Amendment.

Prosecution in the instant application was closed by a Notice of Allowance having a mail date of March 19, 2008; claims 1-4, 6-9 and 11 have been allowed. A Request for Continued Examination under 37 C.F.R. §1.114 is being filed herewith so that the Examiner may consider the accompanying amendments to the claims and specification.

Claims 1, 2, and 4 have been amended to correct the superscript "R^{4C}" to "R^{3C}" as in the previously filed Examiner's Amendment.

Claims 14-16 are new, support for which can be found in the specification (originally filed) at page 10, line 11.

The specification has been amended to insert a reference to the corresponding International Application and priority documents. A substitute specification is submitted with this Amendment, along with markings showing all the changes. A clean version of the specification, without markings, is also included with this Amendment. The substitute specification filed herewith does not include new matter.

Please charge the fee of \$810.00 for filing a Request for Continued Examination under Rule 1.17(e), to the Deposit Account No. 08-2336. For this reason, this Response is submitted in duplicate. Any deficiency or overpayment should be charged or credited to the Deposit Account No. 08-2336.

The Commissioner is hereby authorized to charge U.S. PTO Deposit Account 08-2336 in the amount of any fee required for consideration of this Amendment.

Respectfully submitted,

William R. Reid
Registration No. 47,894
Attorney for Applicant

I hereby certify that this correspondence is being deposited with sufficient postage thereon with the United States Postal Service as first class mail in an envelope addressed to: Mail Stop RCE, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on June 19, 2008.

June 19 2008
